EEVC BOARDING REQUIREMENTS

Eastern Exotic Veterinary Center requires that all pets boarding at our hospital be current on health examinations, as well as certain tests. Our goal is to ensure, to the best of our ability, that your pet is not exposed to others with contagious diseases. This policy has been designed with the safety of your pet in mind. Below is list of tests that your pet must have current in order to board with us. **These tests must be completed prior to a boarding reservation.**

Budgies, Canaries, and Finches:

- Yearly Exam
- Gram Stain
- One-Time Chlamydia DNA Test and PBF DNA Test

Cockatiels:

- Yearly Exam
- Gram Stain
- CBC/Chemistry
- One-Time Chlamydia DNA Test and PBF DNA Test

Conures, Quakers, and Other Larger Birds:

- Yearly Exam
- Gram Stain
- CBC/Chemistry
- One-Time Chlamydia DNA and PBF DNA Test

Mammals:
